RE: Revised SAIS Reporting requirements for National School Lunch Program data under
No Child Left Behind Act (NCLB) for school year 2005-2006

This memo is a **revision** of *SAIS Reporting requirements for National School Lunch Program data under No Child Left Behind Act (NCLB)* (CN#26-05).

CN #26-05 indicted "all students with an eligibility status of free or reduced will fall under the same needs code in SAIS for school year 2005-2006 and beyond. Therefore, LEAs will not need to differentiate between free and reduced for the purpose of SAIS reporting. Students with a free eligibility status will receive the same code as students with a reduced eligibility status."

REVISION

Due to the Early Childhood Block Grant ([ARS §15-1251.B](#)), two needs codes are required in reporting for SAIS.

- NCLB 1= household income of less than 130% of poverty line or below
- NCLB 2= household income between 130%-185% of poverty line

This is to be effective as of the April 1st 2006 and beyond.
